

SENTENCED FOR LIFE

Luetger's Motion For a New Trial Denied

BANK TELLER ARRESTED

President McKinley Pardons Sundry Convicts.

Chicago, Feb. 19.—A motion for a new trial was made today on behalf of Luetger, the sausage manufacturer, sentenced to life imprisonment for wife murder. The court room was crowded. Several jurymen were present to defend themselves if necessary. Luetger apparently was far from hopeful. Luetger's attorney attacked the court, claiming that the jurors had been prejudiced by Judge Gary's remarks. Counsel gave twenty-three other reasons of a technical nature why a new trial should be granted. Arguments of several hours duration followed. Judge Gary denied the motion for a new trial and formally sentenced Luetger to life imprisonment. An appeal will be made to the state supreme court.

SHERIFF MARTIN'S TRIAL

Wilkesbarre, Pa., Feb. 19.—Instead of closing the commonwealth side of the Luetger case, as had been expected, District Attorney Martin was obliged to ask the court to adjourn until Monday. He said that attachments had been issued for two important witnesses and that they could not be found and probably would not be produced until Monday. Only two witnesses were heard this morning. John A. Quazzo, who was shot in the foot at Luetger, and Mrs. Mary Gallagher, the mother of Mrs. Grace B. Coyle, the school teacher. Their testimony was not important.

BANK TELLER ARRESTED

Wilmington, Del., Feb. 19.—William N. Boggs, the defaulting paying teller of the First National bank of Dover, Delaware, was arrested today in this city. Boggs is said to have absconded with over \$100,000. Four prominent men of Kent county were also arrested today charged with aiding Boggs in his stealings. Their names are B. T. Cooper, ex-Sheriff Ames Cole, Thomas C. Clark, Charles L. Butler.

PRESIDENTIAL PARDONS

Washington, Feb. 19.—The president has granted pardons in the following cases: Marion Holderman of Arkansas, convicted of larceny. The only result of the pardon is a restoration to citizenship.

Arthur B. Andrews, of the Southern

district of California, convicted in 1894 of violation of the postal laws and sentenced to three years in prison and to pay a fine of \$1,000. The pardon is granted on the ground that since his arrest Andrews has already served a longer term than the sentence imposed.

Jack Wilkinson, of the Eastern district

of Texas, convicted in 1896 of assault with intent to kill. The papers in the case show that the prisoner can live only a short time.

This is also the basis for the pardon in

the case of Joseph Alford, of the Eastern district of Missouri, who is under sentence for counterfeiting money, and also in the case of L. S. Whitfield, of the Northern district of California, also convicted of passing counterfeit money.

Pardons were denied in the following

cases: Herman Hauler of Kansas, embezzling letter from the mails, Charles Hubbard, Eastern division of Missouri, violation of the postal laws.

DR. WURTH'S OPINION

OF THE NEW DISCOVERY IN MEDICINE.

A Remarkably Successful Remedy for Dyspepsia, Indigestion and Stomach Troubles.

Dr. Wurtz, in commenting on recent discoveries in medicine, said: There is none which is certain to be as valuable and far reaching in benefit as Stuart's Dyspepsia Tablets, the new stomach remedy. I say far reaching, because people little realize how important a sound stomach and vigorous digestion is to every man, woman and child.

Indigestion is the starting point of

consumption, heart disease, Bright's disease, diabetes, nervous prostration, liver troubles; why is this? Simply because every nerve, muscle and tissue in our bodies is created and nourished from the food we eat. If that food is, by reason of a weak stomach, compelled to be for hours, a sour, fermenting mass of half digested food, it poisons the blood and nervous system, creates gas which distends the stomach and bowels, causing pressure on the heart, lungs and other organs and seriously impeding their action.

He says further, the point to direct

attention is not the nerves, nor heart, nor lungs, nor kidneys, but the stomach, the first cause of all the mischief.

The remedy to use for indigestion and

weak stomachs is not some cathartic, but a remedy which will digest the food, increase the flow of gastric juice, absorb the gases, and Stuart's Dyspepsia Tablets will accomplish exactly this result in any case of stomach trouble, because these tablets are composed of the digestive acids, ascorbic, pepsin, Golden Seal and Blumh, pleasant to taste, and not being a patent medicine, can be used by any one with perfect safety. I believe Stuart's Dyspepsia Tablets will cure any form of indigestion and stomach trouble, except cancer of stomach.

Full size packages of Stuart's Dyspepsia

Tablets are sold by druggists at 50 cents. A book on stomach diseases, together with thousands of testimonials, will be sent by addressing Stuart Co., Marshall, Mich.

A BARBAROUS SURGICAL OPERATION

For the Cure of Piles.

Is not only intensely painful, dangerous to life and very expensive, but in the light of modern medical research and since the discovery of the Pyramid Pile Cure, a surgical operation is wholly unnecessary. If you have any doubt on the point kindly read the following letters from people who know that our claims regarding the merits of the Pyramid Pile Cure are borne out by the facts.

From N. A. Stall, Ridge Road, Niagara Co., N. Y.: I received your Pyramid Pile Cure and tested it last night. It did me more good than anything I have ever found yet, and remember this: The result of one night's treatment only.

From Penn W. Arnett, Batesville, Ark.: Gentlemen—Your Pyramid Pile Cure has done me so much good in so short a time that my son-in-law, Capt. T. J. Klein, of Fort Smith, Ark., has written me for your address, so he wishes to try it also.

From A. E. Townsend, Bonville, Ind.: I have been so much benefited by the Pyramid Pile Cure that I enclose \$1 for which please send a package which I wish to give to a friend of mine who suffers very much from piles.

From John H. Wright, Clinton, DeWitt Co., Ill.: I am so well pleased with the Pyramid Pile Cure that I think it not right to drop you a few lines to inform you its effects have been all that I could ask or wish.

From P. A. Bruton, Llano, Tex.: Gentlemen—The Pyramid Pile Cure has done so much good for me that I will say for the benefit of others that after using only two days I am better than I have been for months.

The Pyramid Pile Cure is prepared by the Pyramid Drug Co. of Marshall, Mich. and it is truly a wonderful remedy for all forms of piles. So great has been the number of testimonial letters received by them from all parts of the country that they have decided to publish each week a number of such letters.

All druggists recommend the Pyramid Pile Cure, as they know from what their customers say that no remedy gives such general satisfaction.

HER THREE FAVORITE HYMNS

To be Sung at the New York Services For Miss Willard.

New York, Feb. 19.—There will be no addresses delivered at the funeral of Miss Frances E. Willard in the Broadway Tabernacle here tomorrow. The principal features of the services will be the rendition of Miss Willard's three favorite hymns. Delegations from the western states, New England and Canada will be present. The western delegation will escort the remains to the late home of Miss Willard at Evanston, Illinois. It has not yet been decided whether the remains will be removed late Sunday night or early Monday morning. Numerous requests have been received that the body lie in state at Chicago. This question has not yet been decided.

The Surprise of all.

Mr. James Jones, of the drug firm of Jones & Son, Cowdon, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowdon and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and seeing lots of it he took a bottle home, and to the surprise of all she began to get better from first dose, and half a dozen dollar bottles cured her and sound well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at G. Gehring's Drug Store.

AUTOCRACY IN THEOSOPHY

Is Established, With Mrs. Tingley as Autocrat.

Chicago, Feb. 19.—The Theosophical Society of America, which met in annual convention in this city today, celebrated the close of the Kali Yuga (which, according to the Asiatic philosophy followed by the Theosophists, was the fourth cycle of 5,000 years of human progress) by a complete change of government. Autocracy was overthrown and an autocracy was established with Mrs. Katherine A. Tingley as the autocrat. Theosophy, as a name, was given a subordinate place, and the International Brotherhood League was the new title with which the movement was christened. An active crusade will be inaugurated for the purpose of interesting the common people in the cult. The Theosophical society will be continued, but only as a literary auxiliary of the Brotherhood League.

The Esoteric school, or inner circle, of

which Mrs. Tingley has been the head, will directly direct the destinies of the whole movement. Spiritual power, absolute and unconditional, is now vested in Mrs. Tingley, and as in the case of Mrs. Blavatsky and William Q. Judge, she will select her successor, thus perpetuating the autocracy.

The convention organized with Dr. Jerome Anderson as permanent chairman. A proclamation was read from Mrs. Tingley, in which she referred to the plans of the Esoteric Brotherhood and the Theosophical Society of the future. She stated that the purpose of the society was to show that they considered theosophy in a broader sense than commonly presented. They were devoted, she said, to the universality of the brotherhood of man—a brotherhood that would be helpful and protective in its operation. The proclamation declared that the organization established two years ago under the name of the International Brotherhood League, the purpose of the dead leaders and to establish the future of Judge and that the time was the plan of Judge, and that the time had now arrived to make public the purpose of the league as the form of government of Theosophy. The proclamation was referred to a committee, which quickly formulated a set of resolutions accepting the new form of government, and endorsing Mrs. Tingley with absolute authority over the organization. The resolutions, when presented to the convention, were adopted by a practically unanimous vote. Some opposition came from E. T. Harcourt, former president of the society, and H. S. Spencer of New York, who held the faction opposed to Mrs. Tingley's rule. Provisions were made in the resolutions for the issuing of new charters to all branches of the society.

Mrs. Tingley named E. A. Norensheimer

as president of the society for the coming year. Her candidate was elected by an overwhelming majority. The fraternal delegates from Sweden, D. N. Dunlap of Dublin, Professor Basil Crump and Mrs. Allen L. Cleather of London have assured Mrs. Tingley that the Theosophical societies which they represent will accept the universal brotherhood idea and her absolute leadership.

The body of the late Ensign J. C. Brock

bridge, who was drowned off the torpedo boat "Cushing" near Havana, was buried yesterday at Lexington, Ky. Services were conducted by Rev. Ratcliffe of Washington, D. C.
